Jerry Ristow-Danks – Out Of The Box

Greendale, WI USA – April 19, 2004 – **RockIt Records & Recording™**, A Division of Heavygunz Enterprises Inc; is pleased to welcome acoustic guitar master **Jerry Ristow-Danks** to the family of distributed artists and announce the release of his long anticipated debut recording.

The instrumental CD, entitled “**Out Of The Box**,” includes nine original and three traditional tunes, finger picked on acoustic steel string guitar. Ristow-Danks cites finger style pioneers **Leo Kottke** and **John Fahey** as early influences. A seasoned, self-taught maestro, he follows his own muse. Jerry’s music beautifully illustrates that like his musical protégés, he too is exceedingly adept at the finger-style idiom.

Composition is equally important as technique and here is where “**Out Of The Box**” finds unique expression. Intentional or not, Ristow-Danks has written a group of songs with an organic unity. Each tune stands alone yet interrelated to the others... a cycle of songs, each celebrating a different stage in life’s journey. Though not without melancholy, the music expresses an abundance of joy and evolves images of hearth, home, and gatherings of loved ones. Share this CD with those closest to you!

Music Journalists, Music Program Directors, Promoters, and Agents should contact RockIt Records to receive a promotional copy of the “**Out Of The Box**” CD for consideration.
