Greendale, WI USA - **RockIt Records & Recording™**, A Division of Heavygunz Enterprises Inc; is pleased to announce the release of the most recent solo CD by Singer/Songwriter **Dustin Lee**. The thirteen track CD, entitled "**On My Way Back Home**," coupled him with seasoned industry professionals who provided a wide variety of performance and production support.

From an instrumental perspective, Lee's music embraces elements of folk, rock, and classic country. He blends these separate musical traditions together in a subtle, seamless fashion to yield a signature sound that is uniquely his own. Call it perhaps 'Midwestern Roots Music', reflecting the fact that Lee's songs always reveal his heartland origins.

Currently living and working in Milwaukee, Dustin is native to Fort Madison, Iowa. He is well known for crafting moving, thoughtful, and poignant songs inspired by his life in the Hawkeye state. This new CD comes on the heels of his previously released "**Milwaukee Acoustic Sessions**" which was recorded and released shortly after his move to the area. The most recent project was produced by **TJ Oman** and mastered by **Gary Tanin**.

Since arriving in southeastern Wisconsin, Dustin has been busy performing for a new legion of fans at a wide variety of venues. He periodically appears with other local, national, and international artists. "**On My Way Back Home**", which was released in late April, spotlights his signature delivery and famously powerful vocals.

Dustin's label mates include artists such as Rick Forkes, Xpensive Dogs, Peter Mac, The Steves, as well as others. RockIt Records & Recording is a regionally based, independent label founded by musicians for musicians. Dustin's CD is available at select retail outlets and online at www.RockitRecordsUSA.com.
