FM native Dustin Lee releases latest CD

Published: Tuesday, June 2, 2009 2:21 PM CDT

Fort Madison native Dustin Lee has just released his latest CD "On My Way Back Home" with RockIt Records and Recording.

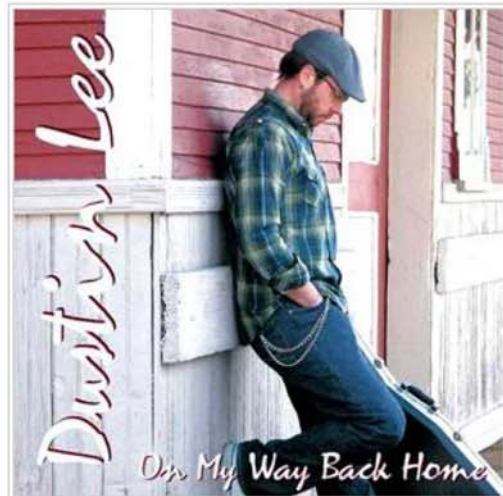

Currently living in Milwaukee, Wis., Lee is a singer/songwriter who is well known for crafting moving, thoughtful and poignant songs about his life growing up in the Hawkeye state.

The new CD comes on the heels of his previously released "Milwaukee Acoustic Sessions", which was recorded soon after his move to the area.

Since arriving in southeastern Wis., Dustin has been busy performing for a new legion of fans at a wide variety of venues. He periodically appears with other local, national, and international artists.

"On My Way Back Home" spotlights Dustin's signature delivery and famously powerful vocals and has been garnering rave reviews. Lee's music can be purchased locally at Weird Harold's in downtown Burlington and at Melissa's in Westland Mall.

Lee will also be selling and signing CDs at his live performance on Friday, June 12, at The Washington, 306 Washington St. in Burlington.
